Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other:

The Applicant is thanked for the Amendment filed 6 August 2008. However, a non-compliant matter has been discovered in the aforementioned response, requiring attention before examination may continue.

37 C.F.R. § 1.121(c)(2) requires, "All claims being currently amended in an amendment paper shall be presented in the claim listing, indicate a status of 'currently amended,' and be submitted with markings to indicate the changes that have been made relative to the immediate prior version of the claims. The text of any added subject matter must be shown by underlining the added text. The text of any deleted matter must be shown by strike-through except that double brackets placed before and after the deleted characters may be used to show deletion of five or fewer consecutive characters. The text of any deleted subject matter must be shown by being placed within double brackets if strike-through cannot be easily perceived. Only claims having the status of 'currently amended,' or 'withdrawn' if also being amended, shall include markings. If a withdrawn claim is currently amended, its status in the claim listing may be identified as 'withdrawn-currently amended.'"

The Amendment to the Claims filed 6 August 2008 improperly:

1. Deletes the text, "of" from claim 1, without using markings to indicate the deletion (see lines 11-12: between "the product" and "which represents").
2. Deletes the text, "picture element" from claim 2, without using markings to indicate the deletion (see line 3: between "applied to a" and "(2)").
3. Deletes the text, "Apparatus" from claims 3-7, without using markings to indicate the deletion (see line 1: the first word in each claim).
4. Deletes a comma from claim 5, without using markings to indicate the deletion (see line 2: between "preceding claims" and "wherein the value").

The Applicant is respectfully requested to submit a listing of claims with markings to indicate all the changes that have been made relative to the immediate prior version of the claims (i.e., the claims originally submitted on 28 December 2005), as required under 37 C.F.R. § 1.121.
